

WHY MY BRAND IN **ADMAZING?**

06

Sound on. Video in games is a powerful way to share your stories because stories are seen with sound and in autoplay.

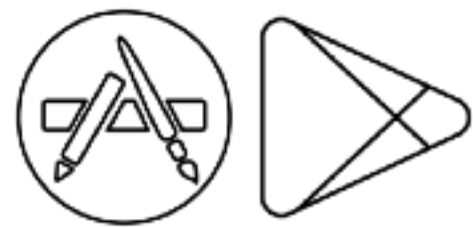

Brand Safety. Content is supervised, curated and approved for iOS and Android markets

High Performance: You'll find metrics unlike other verticals.

View-ability: Games have a View-ability greater than 80%.

///BRAND SAFETY

///REASSURANCE FOR YOUR BRAND

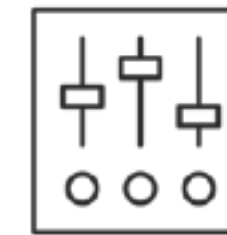

CONTROLLED BY APP STORES

All App StoreS control the content of their apps.

FOCUS ON PREMIUM INVENTORY
